## No. 109.

## CASH ON DELIVERY RULES.

**No. 7648.**—IN exercise of the powers vested in him by the Post Office Enactments, 1905, the Chief Secretary to Government hereby rescinds with effect from the 15th November, 1923, the rules relating to Cash-on-Delivery Parcels published as Notification No. 4381 in the *Federated Malay States Government Gazette* of the 24th September, 1920, and Notification No. 5888 in the *Federated Malay States Government Gazette* of the 31st December, 1920, as varied by Notification No. 4689 published in the *Federated Malay States Government Gazette* of the 23rd September, 1923, and substitutes therefor the following rules:

1. (a) A Cash-on-Delivery parcel is a parcel on which the Director is requested to collect a trade-charge under these rules.

(b) Covers containing railway receipts and bills of lading are admissible as Cash-on-Delivery parcels in the inland service provided that the parcels are not insured.

NOTE—The object of this rule is to enable a person to forward a parcel by railway (instead of by post) and to send by Cash-on-Delivery parcel post to the addressee the railway receipt or bill of lading. Ordinarily the Railway Administration will not deliver the parcel until the receipt is produced. This rule, however, must not be understood as any guarantee that the Railway Department will not do so.

2. No trade-charge may exceed the limit of value allowed for a single money order in the money order service with the corresponding country.

3. The Director shall announce in the *Federated Malay States Post Office Guide* the countries and places with which Cash-on-Delivery parcels may be exchanged and the currency in which the trade-charge should be expressed.

4. There shall be charged and paid on every Cash-on-Delivery parcel in addition to the postage and other charges payable on such parcel the following sums:

(a) On every parcel posted in the *Federated Malay States*—

(i) If the trade-charge is expressed in sterling a despatch fee of 20 cents for the first £1, plus 10 cents for each subsequent £1 or fraction thereof to be collected.

(ii) If the trade-charge is expressed in Straits Currency a despatch fee of 20 cents for the first \$10, plus 10 cents for each subsequent \$10 or fraction thereof to be collected.

(b) On every parcel delivered in the *Federated Malay States* a delivery fee of 15 cents.

5. The despatch fee payable on a Cash-on-Delivery parcel posted in the *Federated Malay States* shall be prepaid by the sender in stamps.

6. The following rules shall apply to the posting of a Cash-on-Delivery parcel in the *Federated Malay States*:

(a) The parcel shall be handed to an officer on duty at a Post Office during the hours fixed for posting Cash-on-Delivery parcels.

(b) The sender shall sign a request in the prescribed form for the collection of the trade-charge.

## 2

- (c) The sender must write on the cover of the parcel and on the Despatch Note if one is used the word "Remboursement" or the letters "C.O.D." followed by the amount of the trade-charge in Latin characters. He must also write on the cover of the parcel or on a label affixed to the cover his name and address. These particulars may be furnished on the back of the parcel if there is not room for them to be shewn clearly on the front. No erasure or alteration of the amount of the trade-charge is allowed even if certified. An incorrect entry must be completely obliterated and a fresh entry made.
- (d) The sender must affix stamps to the request form in payment of the despatch fee.
- (e) On the posting of the parcel a certificate of posting signed by the officer of the Post Office receiving the parcel must be obtained.

7. When a Cash-on-Delivery parcel is received at a Post Office in the Federated Malay States for delivery, notice of arrival thereof shall be sent to the addressee and the parcel shall be delivered to the addressee at the Post Office on his application within the hours fixed for the delivery of Cash-on-Delivery parcels upon payment of the trade-charge and all other charges due thereon. If the trade-charge is not expressed in local currency it shall be converted into local currency at the rate of issue for money orders issued in the Federated Malay States for payment in the country of origin of the parcel.

8. The sender of a Cash-on-Delivery parcel may request at the time of posting that the parcel is either to be treated as abandoned or tendered at a second address in the country of destination if it proves to be undeliverable to the first addressee. If the sender desires to avail himself of this facility, his request must be written on a label attached to the cover of the parcel and on the relative Despatch Note (if one is used).

9. In the absence of a definite request for abandonment, a parcel which is undeliverable in the Federated Malay States at the original address or at the alternative address (if one is furnished) within a period of 15 days shall be returned to the sender, without previous notification, at his expense.

10. The Director shall upon delivery of a Cash-on-Delivery parcel cause the relative trade-charge order to be returned for payment to the sender free of postage. A trade-charge, once collected, shall in no circumstance be refunded to the addressee of the parcel.

11. Before a trade-charge order in respect of a Cash-on-Delivery parcel posted in the Federated Malay States is paid the Director may require the production of the certificate of posting of such parcel. If the trade-charge order is not expressed in local currency it shall be converted into local currency at the rate in use for the payment of ordinary money orders issued in the country of destination of the parcel for payment in the Federated Malay States.

12. Cash-on-Delivery parcels in other respects than those specified in these rules shall be treated as other parcels.

13. An enquiry as to the disposal of a trade-charge will only be entertained if made within a year of the posting of the parcel. [G. 2450/23.]

4. Proposed shop-house on plan No. 25,176, Batu Gajah: After hearing the reasons given by Mr. H. C. Bathurst the Board decides to refuse to permit the proposed shop-house to be built.

5. Fee for use of Town Hall, Ipoh: An application for reduction of the fee for the use of the Town Hall, Ipoh, is considered. The Chairman proposes and Mr. H. C. Bathurst seconds that the fee be not reduced. The Board agrees.

6. Sub-committee to deal with appeals against assessment: The Board appoints the following sub-committee to deal with appeals against the assessment fixed for 1924: The Chairman, the Chief Assistant District Officer, Kinta, Mr. R. P. Brash, Mr. H. J. Cooper and Towkay Lee Ah Weng.

7. Pork-shops, Ipoh: The Chairman explains that in the face of renewed applications he considers it necessary to re-open the subject and submit it for reconsideration. His own view has been considerably modified owing chiefly to the fact that he is now satisfied that the existing pork-shop has contributed very materially towards keeping down the price of pork. He reads the written views of the Market Sub-committee (Mr. A. M. Goodman and Towkay Foo Wha Cheng). Mr. H. C. Bathurst proposes and Mr. J. A. S. Jennings seconds that the resolution of the Board passed at the July meeting be rescinded and that the issue of more licences for pork-shops be favourably considered. On a show of hands the motion is carried, three members abstaining from voting.

The Chairman states that at the next meeting he will submit the names of applicants recommended for favourable consideration.

8. Varying rates of assessment in different parts of the same Sanitary Board area: The correspondence containing a draft section to be substituted for section 12 of "The Sanitary Boards Enactment, 1916," having been circulated the Chairman asks if it meets with approval. On a show of hands the voting is in favour of the amended section, one member abstaining from voting.

9. Reports by the Health Officer on certain houses in Ipoh: The Chairman brings to notice that under "The Town Improvement Enactment, 1917," the Health Officer has reported that certain portions of fourteen shop-houses in Ipoh are unfit for human habitation. The Board decides that, as the tenants are Chinese, the Health Officer, in company with the three Chinese members of the Board, visit these houses and inform the owners of the requirements which if carried out will obviate action being taken under section 24 of "The Town Improvement Enactment, 1917." Further action is in consequence postponed until the next meeting.

10. Question by Towkay Foo Wha Cheng: The following question is asked by Towkay Foo Wha Cheng:

Will the Chairman be pleased to inform the Board whether any action has been taken to order the closing and filling up of fish ponds by virtue of the resolution under paragraph 6 of the minutes of last Board meeting?

The Chairman states that he had also that morning received notice of a similar question from Mr. H. J. Cooper. He reads a letter which he has submitted for the Resident's consideration and says that he is suspending action until he knows whether the pools and swamps on State land are to be filled in or drained. The Board endorses the Chairman's action.

11. Sanitary accommodation, Town Hall, Ipoh: A letter received by Mr. H. J. Cooper complaining of the sanitary accommodation at the Ipoh Town Hall is read. For the information of the Board the Chairman states that as soon as the necessary authority is obtained early next year he will do all he can to get the sanctioned improvements carried out as expeditiously as possible.

12. Recommendations by the Health Officer in connection with overcrowding, tuberculosis and conservancy: From the remarks written on the correspondence which was circulated the Chairman summarizes that the members support the Health Officer's recommendations except in a few minor details on the suggested alterations to ventilating openings of houses. The Chairman brings to notice the improved type of houses being erected by the Loke Yew Trust in Kuala Lumpur and suggests that further consideration be postponed until he writes for and obtains detailed plans of these and other improved types of shop-houses. The Board agrees.

13. Water Supplies for townships in Kinta: Mr. H. C. Bathurst states that it will not now be necessary to obtain particulars of schemes as suggested at the June meeting as the Government Departments concerned with the subject are taking action in the matter.

14. Dr. E. H. Black's impending departure on long leave: Mr. R. P. Brash proposes that it be recorded in the proceedings of the Board its appreciation of the very good work done by Dr. E. H. Black while officiating as Health Officer, Kinta. In seconding the resolution the Chairman points out the importance of the appointment as the Board has the control of the largest and most populous area in Perak. The resolution meets with the hearty and unanimous approval of the members present.

As it is the last meeting Dr. E. H. Black attends prior to his departure on leave, the Chairman, on behalf of the Board, wishes him a safe voyage and a return to Kinta at the end of his holiday.

Dr. E. H. Black suitably replies to the remarks made by Mr. R. P. Brash and the Chairman.

15. The Board adjourns *sine die*.

Chairman.

**BUSINESS:**

1. Board considered application from the inhabitants of Kampong Binjai for water supplies. Chairman informed the members that in the past several applications had been made, but as the State Engineer had been unable to approve nothing had eventuated. The area in question was outside Sanitary Board limit, but would shortly be gazetted under section 51A of the Sanitary Boards Enactment. The State Engineer reported that water was available and that connection could be made to Labu Road main. The State Engineer was preparing a scheme for Binjai which would be submitted to the Board in due course. The Health Officer supported the application from anti-malarial point of view. 2. Specimen of 4-gallon shell motor spirit tins, to be used as benzine containers, forwarded by the Asiatic Petroleum Co., Ltd., were produced for the Board's inspection, and a letter from the Company and a minute from the Executive Engineer, Seremban, read. The Board were not greatly impressed with the proposed containers, and considered that somewhat stronger material should be used in the constitution of containers for dangerous liquids. It was decided to enquire if the Company would be prepared to put up something rather more solid, and to point out certain defects in the specimen tins submitted.

3. Papers dealing with the Dato' Bandar's houses in Paul Street were laid before the Board and a letter from the Government Town Planner read. Chairman reported that so far no new plans had been received from the Dato' Bandar, and that up to date the Dato' had taken no action regarding resurvey.

9. Towkay Cheah Soon Moh drew attention to the State of the road in Carew Street and Locke Road near junction of Bukit Road and Jebebu Road, and asked if something could be done to improve matters.
